

HARERAM

SENIOR IOS DEVELOPER

 Noida, UP, India  +91-7065206694  hareramyadav2011@gmail.com  LinkedIn  GitHub  Portfolio

EXECUTIVE SUMMARY

Results-driven **Senior iOS Developer** with 7+ years of expertise in architecting, developing, and scaling production mobile applications for Apple platforms. Successfully shipped 10+ iOS applications, with **9 apps currently live on the App Store**. Highly proficient in Swift, Objective-C, MVVM architecture, and advanced local data persistence with **Core Data**. Proven capability in offline-first app architecture, real-time sync, performance optimization, and cross-functional team leadership.

CORE TECHNICAL EXPERTISE

Languages & Architecture: Swift, Objective-C, MVVM, MVC, Singleton, Delegation, Coordinator Pattern	Frameworks & Storage: UIKit, SwiftUI, Core Data (Migrations, Contexts), Combine, Alamofire
APIs & Cloud Integrations: RESTful APIs, JSON, Firebase (FCM, Analytics), Google Maps & Location APIs	Tools & CI/CD: Xcode, Git, GitLab, CocoaPods, Swift Package Manager, App Store Connect, Instruments

PROFESSIONAL EXPERIENCE

Techsaga Corporations Pvt Ltd. — Senior iOS Developer April 2024 – Present | Noida, India

- MyPT Connect:** Engineered a comprehensive fitness ecosystem for booking personal trainers and classes across the UAE. Architected local persistence layers using **Core Data** to support offline workout tracking and cached schedules. Integrated push notifications and location services. [\[App Store\]](#)
- MyPT Coach:** Developed the official companion app for trainers using Swift, UIKit, and MVVM architecture. Implemented high-performance local database structures via **Core Data** for offline client profile access, session logging, and earnings metrics. [\[App Store\]](#)
- Heal The Sick:** Contributed to a multi-faceted healthcare platform featuring telemedicine video calls, digital wallet integration ("Heal Cash"), and secure donation flows. [\[App Store\]](#)

BizBrolly Solutions Pvt Ltd. — iOS Developer Sept 2021 – March 2024

- Tajurba:** Led core iOS development for a corporate networking platform. Optimized local content feeds and offline user messaging using **Core Data** background contexts to ensure fluid user experience. [\[App Store\]](#)
- Exeeder Logistics:** Developed an intermediate logistics & dispatch application. Utilized Google Maps API for real-time driver tracking and implemented local route caching using **Core Data** for connectivity drops. [\[App Store\]](#)
- Online Gaming News:** Built a live stream and news portal. Implemented deep linking, Firebase notifications, and social authentication (Apple, Google, Facebook). [\[App Store\]](#)
- Online Gaming Peoplebook:** Developed a business social network focused on peer-to-peer transaction management. Integrated Firebase messaging and built offline storage with **Core Data** for enterprise profile records. [\[App Store\]](#)

- **NuminiMX:** Built a bi-lingual (English & Spanish) e-commerce marketplace for children's goods. Leveraged **Core Data** to manage local shopping cart state, recent views, and offline catalog browsing. [\[App Store\]](#)
- **Election Riders:** Developed a community transit app for election participation in Kansas City. Implemented phone OTP verification, Google Maps direction routes, and social sign-in integrations. [\[App Store\]](#)

TECHNICAL HIGHLIGHTS & ARCHITECTURE ACCOMPLISHMENTS

- **Core Data Specialist:** Extensive experience with persistent container setups, background saving contexts, NSFetchedResultsController integration, and lightweight database migrations.
- **Scalable Architecture:** Transitioned legacy MVC codebases to modern MVVM with reactive data flows, improving code reusability and reducing memory leaks by up to 30%.
- **App Store Deployment:** Managed end-to-end publishing workflows on App Store Connect, including provisioning profiles, certificates, TestFlight beta testing, and compliance checks.

EDUCATION

B.Tech in Computer Science U.P.T.U. (Uttar Pradesh Technical University)	Diploma in Computer Science BTEUP	High School UP Board, Allahaba
